Re: Temporary Interruption of Water Service & PRECAUTIONARY BOIL WATER ADVISORY

There is currently a **TEMPORARY INTERRUPTION OF WATER SERVICE** to Wilderness PSD customers in **West Mount Lookout areas beginning at Shaffer Road to the end of Old Government Road, including all side roads, as of Wednesday, November 20, 2024**, for the purpose of a water main-line break repair.

A **PRECAUTIONARY BOIL WATER ADVISORY** will be in effect beginning immediately upon service restoration on **Wednesday, November 20th, 2024 until further notification for the same above Wilderness PSD customers whose service was interrupted.**

Water should be heated to a rolling boil for one (1) minute and then let cooled before using. Boiled or bottled water should be used for consumption and hygienic purposes such as, drinking, making ice, brushing teeth, washing dishes, bathing, food preparation, etc.

This advisory is being issued pursuant to WV Dept. of Health regulations due to the loss of pressure during the main-line break repair.

Please contact the office at 872-1598 if you have any questions.
